

Dear,

Pritiben

Cyberweb Hotels- Division of CGS infotech, Inc.

Sub: Excellent web services from Cyberweb Hotels

This is intended to greatly appreciate you for designing website for our Hotel property www.franklininn Carrabelle fl.com.

We are most satisfied with the increase of business it has brought to our facility.

Your team has given us great support in our growing project.

We have found the material to be well functioning and easy to manage with booking in our guests. Which has created more business and revenue in our growing business.

Cyberweb Hotels, you are much appreciated for designing, promoting and software web services.

We are very thankful for the Cyberweb team.

Best wishes,

Kinal Patel
